Subject: RE: Veolia - EAB ADR Offer Letter

Catherine –

Thank you for your e-mail! Throughout the permitting process, Veolia has always welcomed the opportunity to sit down and discuss any and all outstanding issues with Region 5, wherever and whenever possible. Therefore, Veolia welcomes the opportunities that the ADR process provides in attempting to reach common ground between the parties.

How would you like to jointly notify the EAB of both parties desire to participate in the ADR process? If you wish, I can draft a joint letter for your review or you can for my review – it's your choice.

Just let me know – thanks!
